Caretaker Information Card

ODJFS Child Care Time, Attendance and Payment (TAP) System

With the TAP system, you will record attendance using a tablet or your smart phone. The caretaker or a person eligible to pick up or drop off your child at care will need to be added to the system with a phone number.

KinderSign is a mobile application that will be installed on a tablet at your child care program. You will sign in on the tablet to record attendance by entering your phone number and a self-created 4-digit PIN number.

KinderSmart is a smart phone application for Android and Apple iPhones. The free KinderSmart application can be easily downloaded from the Google Play and App store onto your phone.

Your child care provider will help you scan a QR code to allow you to use your phone to check your child in and out of care.
